

SEACLUSION

**SUNREEF 80
SAILING**

WELCOME ABOARD

Sunreef 80 SEACLUSION is a state-of-the-art sailing catamaran with 340m² of living space offering an unmatched level of comfort and style. This yacht provides impressive accommodation for 8 guests in 4 stylish ensuite cabins designed with modern and sophisticated decor, arranged to maximise living space for guests.

Interior design was important to the current owners and no expense was spared on the stunning decor and furniture that flows throughout the yacht.

Entering the saloon and you could be in a New York Penthouse apartment, yet we are not looking at empty spaces, as every area is designed to make the most of the 340sqm. The 54sqm top deck is just as impressive, offering space for an entire party- eating, drinking, sunbathing and sailing are all taken care of.

SEACLUSION also boasts a vast, central lounging area with a panoramic view and endless layout possibilities, opening onto both the bow terrace and cockpit; a perfect setting to unwind and relax after a long day in the sun. All the areas combined form a universal, open environment where flexibility and freedom reign.
