Fairline Targa 48 Open 'YOU AND I'

€525'000 incl. VAT | 15.43m | 2014

This 2014 Fairline Targa 48 Open is an ideal choice for first-time owners or those who prefer to navigate without a crew. She features an automatic, push-button open roof, allowing you to enjoy fresh air and natural light whenever you choose, enhancing your cruising experience.

“You and I” offers two guest cabins: a full-beam master cabin with an en-suite and a twin cabin in the bow, which can be converted into a double by sliding the beds together. The twin cabin's bathroom also doubles as a day head for added convenience.

The saloon is equipped with L-shaped seating, which unfolds to provide an additional berth, thanks to the removable table. The galley includes a fridge, stove, and microwave, making it ideal for preparing meals on board.

For effortless handling, she comes with an IPS system and Dockmate wireless remote control. The hydraulic platform grants swift access to the water and is perfect for launching the Williams 285 tender, which is included in the sale.
