Discover the Lagoon 46, a new build sailing catamaran with a 3-cabin layout and furling boom system. Available immediately in France.

The LAGOON 46 is a powerful, seaworthy catamaran, combining an easy sailing with plenty of comfort. She convinces with her extraordinary features, such as a larger sail area with improved sail capacity, as well as a self-tacking jib, electric winch and a shorter boom. The large headsail triangle ensures better load distribution on the catamaran and an even larger selection of headsails.

Equipped with an innovative sails mechanism furling boom, the catamaran offers multiple advantages for a better sailing experience, notably the ability to observe and control reefing, furling, and other sail handling operations with great precision. The furling boom is not hidden by a cover, but remains visible, a unique concept for greater ease of use.

The catamaran was not only designed in a perfect and functional style – but the interior also impresses with an enormous amount of space, lots of feel-good flairs and numerous light inlets for a light-flooded, soothing atmosphere.

This Lagoon 46 can accommodate up to 6 guests. Each cabin impresses with its own en-suite bathroom with separate shower cubicles.

The luxurious private suite is the showpiece of the catamaran. It occupies the entire starboard side of the hull. The suite is furnished with a king-size island bed, a seating area, a large en-suite bathroom with an extra shower cubicle in the foredeck, a separate toilet with sink and plenty of storage space.

The two double guest cabins of the LAGOON 46 are equipped with a bath and shower, along with a wonderful island bed, ample storage space that grant plenty of comfort.

The cockpit is connected to the saloon of the catamaran with a large, sliding glass door and impresses with the best ventilation dynamics.
