2018 Prestige 680 'ENDLESS SUMMER II'

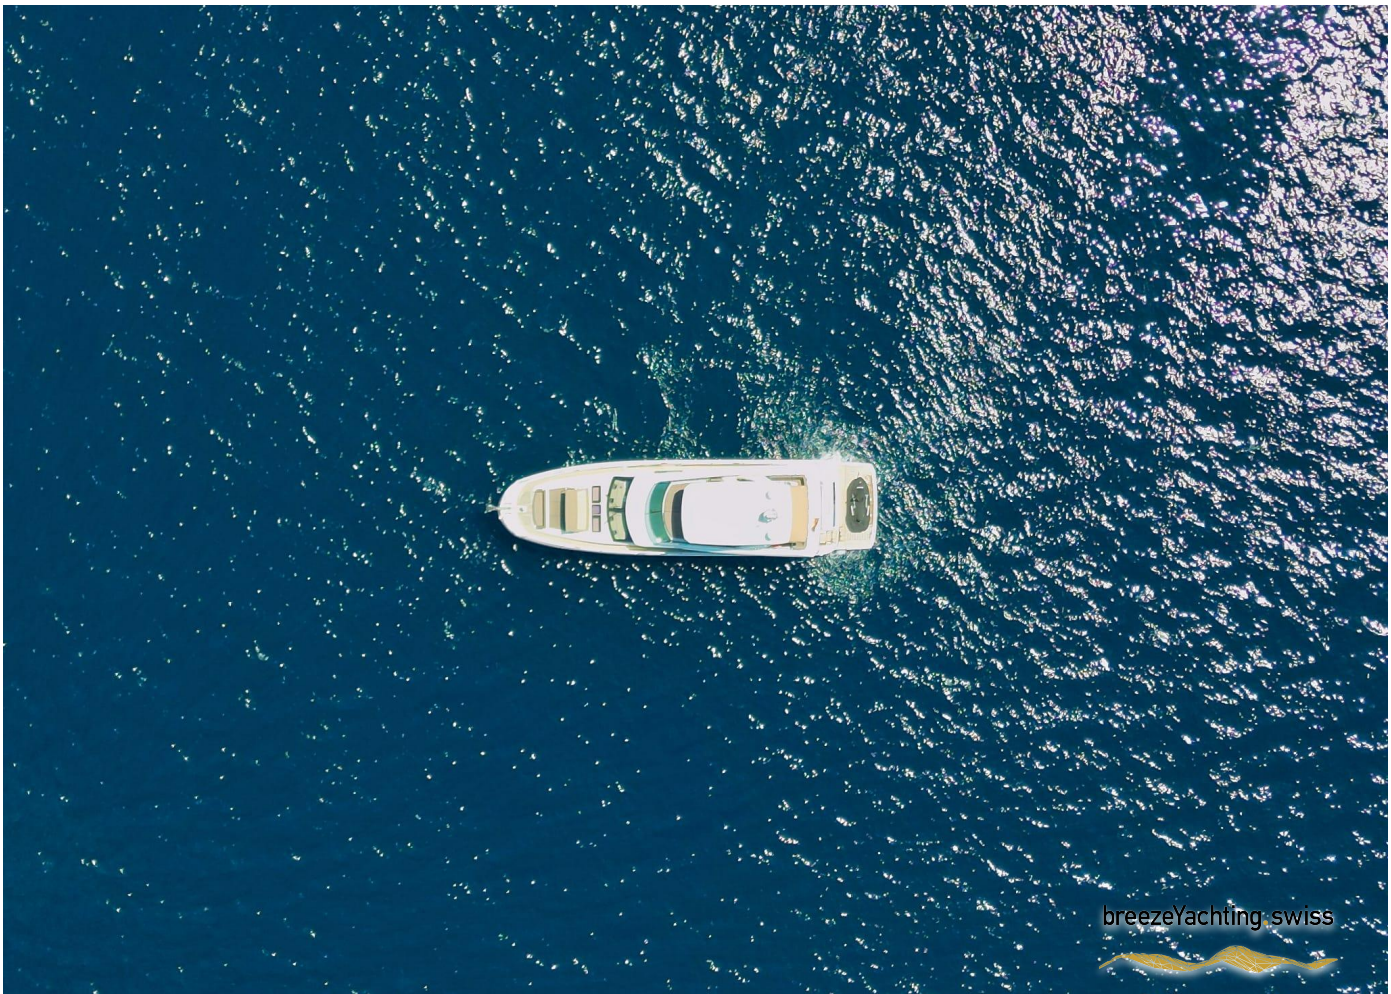

1'525'000 EUR VAT paid | 21.45m | Slovenia

The 2018 Prestige 680, named Endless Summer II, is a well-maintained yacht with a 4-cabin layout, thoughtfully modified by the first owner to provide extra storage space in the aft saloon area. Our company has been involved with this yacht since its first owner, so a complete document package is available for transparency and ease of purchase.

The current owner, the second since new, has ensured that all essential systems were serviced in 2024, including the engine, generator, and Seakeeper NG9 stabilizer.

All kitchen appliances have been upgraded, and the new shower system in the master cabin was recently installed. Two new reserve boilers have been added to ensure hot water for extended voyages, enhancing comfort on longer trips.

For easy access to the water, Endless Summer II is equipped with a hydraulic platform, making it simple to launch and retrieve water toys or enjoy the water directly. A new Williams Jet Tender 325, with only 2 hours on the engine, is also available upon separate negotiation, offering additional convenience to this already well-equipped yacht.

KEY POINTS

- Special 4-cabin layout
- Equipped with Seakeeper NG9
- Engine, generator, and stabilizer serviced in May 2024
- Watermaker refitted in 2024
- 2 new reserve boilers added
