Princess 56 Flybridge 'LUCERNA'

EUR 895'000 incl. VAT | 16.51m | 2015/2024

This is a must see opportunity, always well maintained by a Swiss Owner. Originally she was built as a demonstrator by a Princess dealer to show the highest options and best materials Princess could install in this model.

Important to note that the tender seen on the pictures is not included in the price. The yacht is in great condition, just get the teak cleaned or lightly sanded and your ready to enjoy the season.

She navigates exceptionally well as you can see in our walkthrough video in the drone shots, and thanks to her seakeeper gyro stabilizer the stability allows you to stay at anchor even in otherwise unpleasant swell. This is a game changer on this size of yacht.

The interior feels high quality and well laid out, perfect yacht to handle as a couple and still go long distance cruising in the med.

The owner invested quite some money into many smart upgrades, like the 150 Liters per hour slim fit Schenker Watermaker, the AGM gel batteries to be able to run the gyro during the night without the generator and many more things.

KEY POINTS

- Hard Top (€ 45.000)
- Seakeeper 9 Gyro stabilizer (€ 75.000)
- Many smart upgrades by the owner, eg. silent mode for the night with batteries
- Upgraded 17.5kw Generator
- Vat paid, well maintained, turn key

SPECIFICATIONS

Builder:	Princess
Model:	56 Fly
Model Year:	2015
Refit Year:	2023/24
Hull/Superstructure:	GRP
Flag:	Swiss
Location:	Savona, Italy
Length overall:	16.51 m
Beam:	4.72 m
Draft:	1.9 m
Displacement:	43.28 T
Cabins:	3
Cabins Configuration:	Master Cabin, VIP, twin guest
Heads:	2
Guests:	6
Crew:	1
Engines:	2 x Volvo Penta D13-800
Engine Hours:	1158 h
Total Power:	390 HP
Generator:	Onan 17.5kw
Generator Hours:	2436 h
Economy Speed:	9 Kn
Cruising Speed:	22 Kn
Maximum Speed:	30 Kn
Fuel Tank:	2385 l
Fresh Water Tank:	608 l
