<b>Black Water:</b>	170 l

# REFIT HISTORY

- New 100 m stainless steel anchor chain (Cromox-Duplex stainless steel CXA13 mm, DIN 766A) instead of the old, galvanized 80 m chain
  - New anchor winch and new anchor control system
  - Replacement of the cracked front nets in black instead of white (original Sunreef nets)
  - Installation of 8 new high-performance batteries so that the generator does not have to start at night
  - 2nd Rainman AC240 watermaker with 140 liters per hour as a fallback line in case the large watermaker should fail
  - Fly: take off jacuzzi and instead install height-adjustable 190 x 110 cm teak table with 2 benches and sunshade
  - Installation of ACUVA UV water filter system for drinking water generation (Arrow5)
  - Solid teak floor in the saloon/kitchen
  - Additional Liebherr refrigerator with different cooling zones
  - New washing machine
  - New ice cube machine
  - 2 new exhaust systems for Volvo Penta engines
  - Installation of new rudder calibration system
  - Purchase of Seabob F5s in black/white colour scheme
-
