# 2021 Sunreef 60 Hybrid 'SUNBREEZE'

2'950'000 EUR VAT not paid | 18m | Mallorca

***Launched in February 2021, Sunbreeze was designed as an all-season sailing catamaran, offering supreme elegance and an indulgent yacht charter holiday through sparkling seas.***

Enjoy breakfast at the generous seating table on the aft deck with chic director's chairs that fold easily to create even more space, or flick through a magazine on the comfortable lounging area nearby. The main saloon flows seamlessly into the aft deck, with large sliding doors that connect the indoor and outdoor areas to create a unique open concept. An elegant dining table makes for comfortable relaxation with an inviting sofa and three beige ottomans. The many windows allow the area to glisten in the sunlight and illuminate the polished décor, which will take your breath away and offer tantalising views of the sea.

Head up to the flybridge, where you will find a wonderfully shaded lounge area and can sip cocktails prepared by our lovely crew at the spacious, nearby seating area and admire the azure panoramic views.

Furthermore, you will find two large sunbathing areas on the flybridge. Sunbreeze's massive swim platform provides a safe and stable launching pad for the tender, as well as a launching point for water sports.

# KEY POINTS

- Hybrid features providing a sustainable, serene journey that's free from noise and vibrations
- 60KW lithium battery package ensuring a peaceful and eco-friendly experience for a minimum of 12 hours aboard without need for a generator.
- 4 Cabins Galley up Layout can sleep 8 guests
- The open Space feeling on board, well balanced design between open and closed spaces
- Supreme elegance
