Sunseeker Manhattan 55 **'THE OFFICE'**

€850'000 incl. VAT | 18.35m | 2015

The Manhattan 55 is stylish and versatile flybridge that packs in all the typical characteristics of a classic sunseeker. Beautiful external lines and a spacious interior make this a great option for someone looking for a comfortable flybridge yacht between 50 and 60 feet.

With both bow and stern thrusters, CCTV and shaft-drives the 55 is designed to be owner-operated. The current owner has owned the yacht from new and employed a full-time captain to drive and maintain the boat for him.

The flybridge is a large family-sized space for enjoying the view whilst protected from the Mediterranean sun under a food-away bimini.

The 55 can accommodate up to six guests with three very spacious cabins and the third cabin is a twin rather than a bunk version which is common on similar-sized yachts.
